

# No Sprayer Delivers More

Jacto CD400 Internal Pump Backpack Sprayer

## Internal Piston Pump

Long-life, chemical-resistant Viton® seals. Operates with minimal effort. Safety valve prevents overloading.

## Easy Operating Pumping Lever

Can be mounted for left or right hand operation on HD400 and CD400. Requires *half* the pumping effort of the nearest competitor.

## Handle Lock And Lance Retaining Clips

**Padded Shoulder Straps**  
Comfortable and easy to adjust.

## Rugged Base

Sits on the ground without tipping for easy filling and storage.

## 3 Different Nozzles Included

Nozzle cap is compatible with any standard nozzle attachment.

## Carrying Handle

For easy transportation.

## Wide Filling Opening

Fast-fill opening and quick-fill basket strainer. Cap has one-way breather valve.

## 4-Gallon Ergonomically Curved Tank

UV resistant, high density polyethylene. Fill level in gallons and liters.

## Built-In Agitator

Internal agitator constantly mixes solution.

## 4' 5" High Pressure Hose

Large diameter delivers plenty of solution.

## Free Field Repair Kit Included

**Heavy-Duty Trigger Valve**  
Lever also locks for constant spraying. Field Service Kit included.

## Professional Brass Spray Lance

20" long for optimum operating efficiency.
