

# SUNDOWN

## ROTARY MOWERS

Our Rotary Mowers are the strongest economical rotary mowers on the market today. Featuring the unique I beam sides insures strength where the deck needs it most. Some of the other special features include top link swivel, heavy duty stump jumper to protect the gearbox, two heavy full length tubes 1-1/2" x 2-1/2" for deck support, laminated tailwheel, all engineered to assure years of trouble free service.

Shown with optional chain guards
