

SUNDOWN

HEAVY DUTY ROTARY MOWERS

Our Heavy Duty Rotary Mowers are designed to meet the demands of a tough job. Constructed with heavy gauge, 8", I-beam side rails, and a 3/16" single sheet top deck that is fully reinforced with cross and spider bracing, this rotary mower is built to perform.

Standard equipment includes a cast iron gearbox, a shielded PTO shaft with slip clutch, a solid 3/4" thick steel plate blade carrier, heavy duty wheel fork(s) and tail wheel(s), a top link swivel (6' & 7' models only), and 4 x 8 laminated tires. Heavy Duty Rotary Mowers are available in widths of 5', 6', & 7' with 60 or 80 hp gearboxes.
